

June, 2018

Dear Business Owner/General Manager:

We would like to invite your business into our Community Sponsors Program. Our elementary school is in need of community support to meet its goal of providing the best possible learning experience for our children here in East Cobb. Timber Ridge is comprised of approximately 625 students with approximately 1000 parents, including faculty and staff. In the past, we have raised enough private funding to purchase Smart Boards, iPad carts, laptop carts and in-house science field trips. In addition, we pay the salary of a technology specialist and fund many successful teacher grants. This year our goal is to raise \$80,000 to further initiatives with science, technology, STEM and language arts.

**How can you help us?**

Partner with the Timber Ridge Foundation through 4 different contribution levels. Detailed descriptions of each level are described on the next page:

- Wolf Pack Platinum Level Business Loyalty Partner - \$800
- Wolf Pack Gold Level Sponsorship - \$500
- Wolf Pack Silver Level Sponsorship - \$250

The Timber Ridge Foundation (TRF) is a not for profit 501(c)(3) organization. Therefore, all donations are tax deductible. One hundred percent of money raised goes to benefit the children of Timber Ridge. All members of the Foundation board are volunteers.

As we prepare for the start of the new school year, please consider having your business join us in investing in our children's education and our community. We look forward to working with you and your business and honoring your investment in our school. If you need anything further or have any questions, we will be glad to speak with you. Please contact one of our Community Sponsor Chairs:
