## A fun, educational enrichment program your child will love!

Kid Chess Online combines decades of educational instruction with all new interactive, animated lessons to keep kids engaged and loving their chess adventure.

Your child will have so much fun they won't realize they are learning essential problem-solving and strategic skills all from the safety and comfort of your home!

The experience is better than ever with our new advanced tools and analytics used to determine your child's greatest opportunity of improvement.

Kid Chess Online welcomes all levels of play from first timers to serious competitors wanting to take their skill to the next level.

Your child will love the endless opportunities to compete, advance, and earn digital trophies and accolades while making new friends!

**Chess makes you smart, Kid Chess Online makes chess fun!**
