Many employers **double or triple** your donations to non-profits like the Foundation. Companies on this list previously matched donations made to elementary school foundations. Please check with your human resources department or company Intranet website to see if your company matches or email us at patrondrive@timberridgefoundation.org and we can research it. Once you find your company match form, it usually takes about 5 minutes to complete it. Please return it to school with your child in an envelope marked 'Foundation' or e-mail it to us at patrondrive@timberridgefoundation.org.

EVERY CHILD DESERVES A STRONG FOUNDATION.
