Investing in the Future  
of Our Children

## What is the Timber Ridge Foundation?

The TR Foundation is a not-for-profit 501 (c)(3) organization which seeks to supplement the educational needs of our students (grades K-5) through private donations from both parents and community sponsors.

## What will my donation to the Foundation provide?

In past years donations have allowed us to purchase supplemental educational items for our students and teachers. During the 2021-2022 school year, donations will help to fund the continued use of programs like Lexia and Reading Plus, that have proven to be a great benefit to our students in past years. Your generosity will help the Foundation provide additional online programs to aid with virtual learning.
